

DREXI

Pharmacy Management

Adept Fasteners has partnered with Drexii PBM to provide you the best handling process of your prescriptions at your pharmacy.

Drexii

You are most likely already picking up your prescriptions at one of the participating locations that a part of Drexii's national network, which includes all of the major chains as well as most independents stores for a total of over 62,000 pharmacies.

Additionally, Drexii provides you a web-based drug search capability that will allow you to see exactly how much your prescriptions will cost at each of the pharmacies near you. This can be done two ways — by web search or by mobile.

When you receive your benefit card, go to our website: <https://drexii.com/welcome> and click on "Create Account". Then at www.drexii.com/login — your account will track your fills, default your location to show you process at pharmacies nearby and show you your plan copay for any drug you specify. You can view this on your computer web browser or mobile web browser.
