This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage call Compass Health Administrators at **(888) 379-3785**. Important Questions	Answers	Why This Matters:
What is the overall deductible?	**$2,500** individual /**$5,000** family for In-Network providers	See the Common Medical Events chart below for your costs for services this plan covers.
Are there services covered before you meet your deductible?	**Yes,** preventive care, physician office visits and prescription drug co-payments from Participating Providers.	Generally, you must pay all of the costs from providers up to the deductible amount before this plan begins to pay.
Are there other deductibles for specific services?	No.	You do not have to meet a deductible for specific services.
What is the out-of-pocket limit for this plan?	**$6,000** individual /**$12,000** family for In-Network providers	The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members in this **plan**, they are required to meet their individual out-of-pocket limit until the overall family out-of-pocket limit has been met.
What is not included in the out-of-pocket limit?	Premiums, balance-billed charges, out-of-network services, charges in excess of the usual and customary rates, pre-authorization penalties and health care this plan does not cover.	Even though you pay these expenses, they don't count toward the out–of–pocket limit.
Will you pay less if you use a network provider?	Yes. See www.blueshieldca.com/networkppo or call (888) 277-2912 for a list of network providers.	This plan uses a provider network. You will pay less if you use a provider in the plan's network. You will pay the most if you use an out-of-network provider, and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware, your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services.
Do you need a referral to see a specialist?	No.	This plan will pay some or all of the costs to see a specialist for covered services.

Focus on the cost sharing amounts (deductibles, copayments and coinsurance) and excluded services under the plan.
